Data sheet

Lory

The SKYLOTEC LORY is a very well proven and reliable semiautomatic belay device for sport climbing or for setting up slacklines. Equipped with an automatic blocking mechanism as well as a panic function for extra safety when lowering a climber, the LORY is recommended for beginners and pros alike.

- Large handle with panic function for controlled lowering of a climber.
- Blocking mechanism cannot be disabled by the gripping reflex
- Suitable for rope diameters between 8.9 and 11 mm
